

负一楼机房:

三楼走廊空调机组:

The architectural drawing shows a cross-section of a building with multiple levels. Key features include:

- Rooms and Areas:** Kitchen (厨房), Living Room (客厅), Dining Room (餐厅), Bedrooms (卧室), Bathrooms (卫生间), Terrace (露台), and a central hall.
- Dimensions:** Various measurements are provided throughout the plan, such as 3600mm, 3800mm, 3900mm, 4500mm, 7800mm, and 81900mm.
- Structural Annotations:** Notes specify materials and construction details, such as "屋面飘板投影线" (Roof overhang projection line), "砖砌踏步" (Brick masonry steps), "踏步高25mm" (Step height 25mm), "DN75溢流管" (DN75 overflow pipe), and "管底距建筑完成面100mm" (Pipe bottom distance from finished floor surface 100mm).
- Other Details:** The plan also indicates "墙体节点①" (Wall node 1) and refers to "详见S-QS-05" (See S-QS-05 for details).
